

How do I attend a “Virtual” class at Sun Dog Yoga?

1. Download the [Zoom app](#) or go to zoom.us and create an account on your device.
2. [Log in](#) to your Sun Dog Yoga account, choose the “**virtual**” option, and pay for class. You can use existing classes on your account or your unlimited membership. If not, [purchase classes here!](#)
3. Ten minutes prior to class, go back to the [Schedule](#) on our site or into your Tula student app and click **View Broadcast** to be taken into the session (this button is only visible if you are logged in to Tula and have registered as the Virtual option).
